Our responsibility is to express a conclusion on this interim consolidated condensed financial information based on our review

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

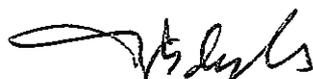

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim consolidated condensed financial information is not prepared, in all material respects, in accordance with International Accounting Standard 34 "Interim Financial Reporting".
